

Post 2015 Development Agenda / SDGs *- incorporating local priorities in global goals*

ISAP 2013
Yokohama, Japan
24th July 2013

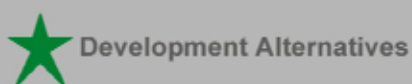

George C Varughese
Development Alternatives
New Delhi, India

The Sustainability Imperative

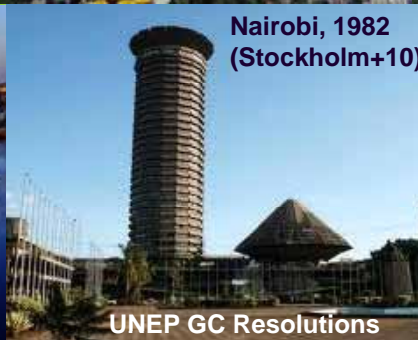

... more urgent than ever before

Global Responses

... Summits

Development Alternatives

Summit Outcomes

- ☐ Principles ?
- ☐ Declarations ?
- ☐ Action Plans ?
- ☐ Reports ?

What does it mean for local communities ?

***... .. unfulfilled promises by the
global community and governments***

Development Alternatives

How can we
incorporate
local priorities
in global goals ?

Development Alternatives

5 Dimensions of Sustainability

- ❑ **Equity**
- ❑ **Economic Efficiency**
- ❑ **Endogeneity**
- ❑ **Environmental Soundness**
- ❑ **Ecological Harmony**

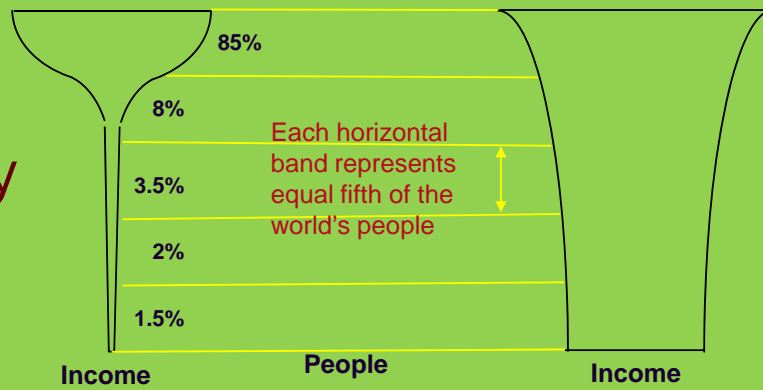

***Empowerment
(and happiness)***

Development Alternatives

Equity

Extremes of Poverty and Wealth

... .. availability and equal access

Development Alternatives

Economic Efficiency

... .. dignified jobs

Development Alternatives

Endogeneity

***Dairy based Green Power
for Local Enterprises
+ farm nutrients***

... opportunities for self reliance

Development Alternatives

Environmental Soundness

***Locally relevant
green building
technologies***

***... resource
efficiencies***

... polluter pays

Development Alternatives

Ecological Harmony

Water Supply for New York City 1997

Options

Catskills Conservation:

US\$ 700 million one time

Engineered:

US\$ 6.5 billion one time plus

US\$ 300 million / annum

... living with nature

Development Alternatives

Empowerment

*... happiness
for all*

Development Alternatives

What Local Communities want to see

- ❑ **Maps – simple conceptual Frames**
- ❑ **Methods – to execute**
- ❑ **Matrices – to measure**
- ❑ **Missions – to implement at all levels**
 - **activities and milestones**
 - **responsibilities and accountability**
 - **incentives and penalties**

*... is the post 2015 development agenda & SDGs
... going to respond to local priorities ??*
