

# Low Carbon Asia Research Network (LoCARNet) 低炭素アジア研究ネットワーク

An open network of researchers, research organisations, as well as like-minded relevant stakeholders that facilitates the formulation and implementation of science-based policies for low-carbon development in the Asian region.

アジア地域の低炭素成長に向け、科学に基づく政策形成とその実現のために、最新の研究成果や知見を、志を同じくする政策担当者、関連するステークホルダーと共有し、議論を行なう、研究者・研究機関の開かれたネットワークです。
