

Challenges for the SDGs (after September)

After the decision at the UN in September 2015, SDGs will enter into regional, national and local level making, implementation, and follow-up and review.

Implementation of the SDGs at the UN level

What will implementation mechanism of the SDGs?
What are the mechanisms to link global and national/local levels?

Regional and National level SDGs

How to make national-level SDGs?
How to make implementation mechanisms of the SDGs?
How to establish the process to get stakeholder engagement?
How to materialize integration of social, economic, and environmental sustainability?
