## The role of cities will be defined in COP21

**COP16**  
Cancun 2010

Cancun Agreements: Local and subnational governments as **“governmental stakeholders”**

**COP19**  
Warsaw, 2013

“Raising global level of ambition **through local climate action”**

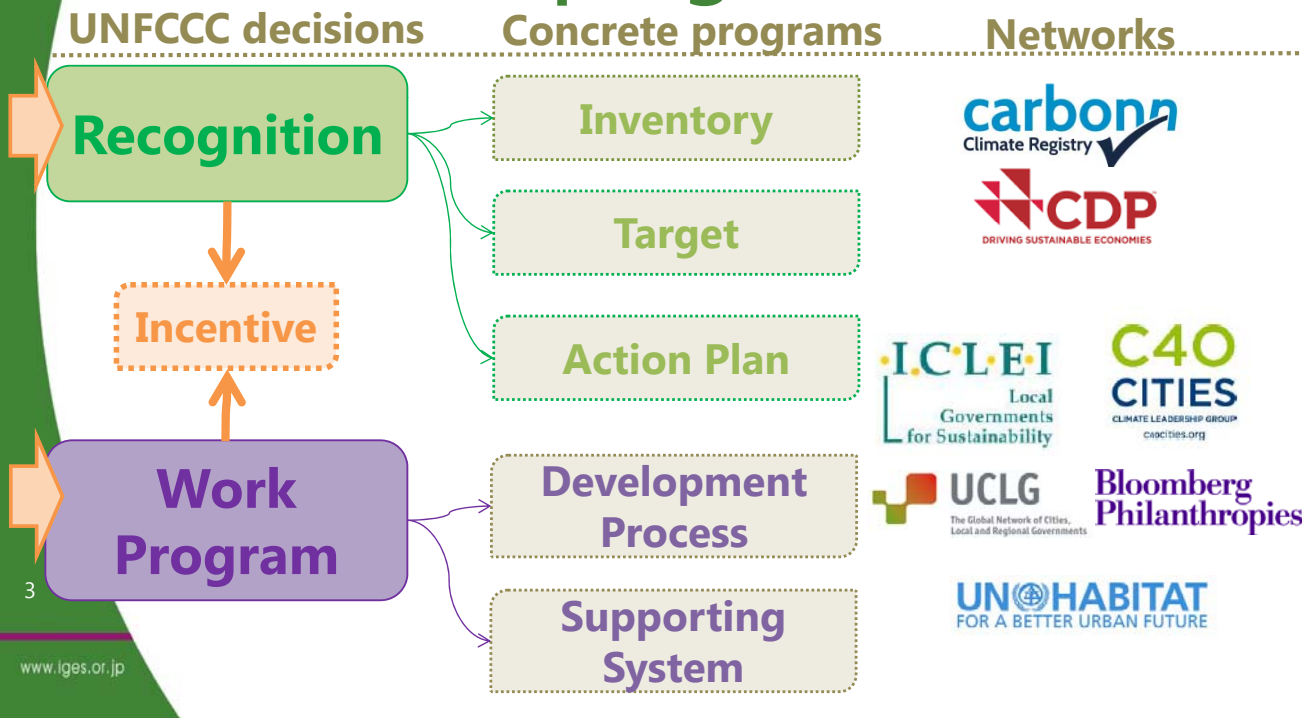

(Source From DEC/CP16para7 and ADP-WS2 – para 5b of Dec1/CP19)

### Three Possible Decisions on city at COP21

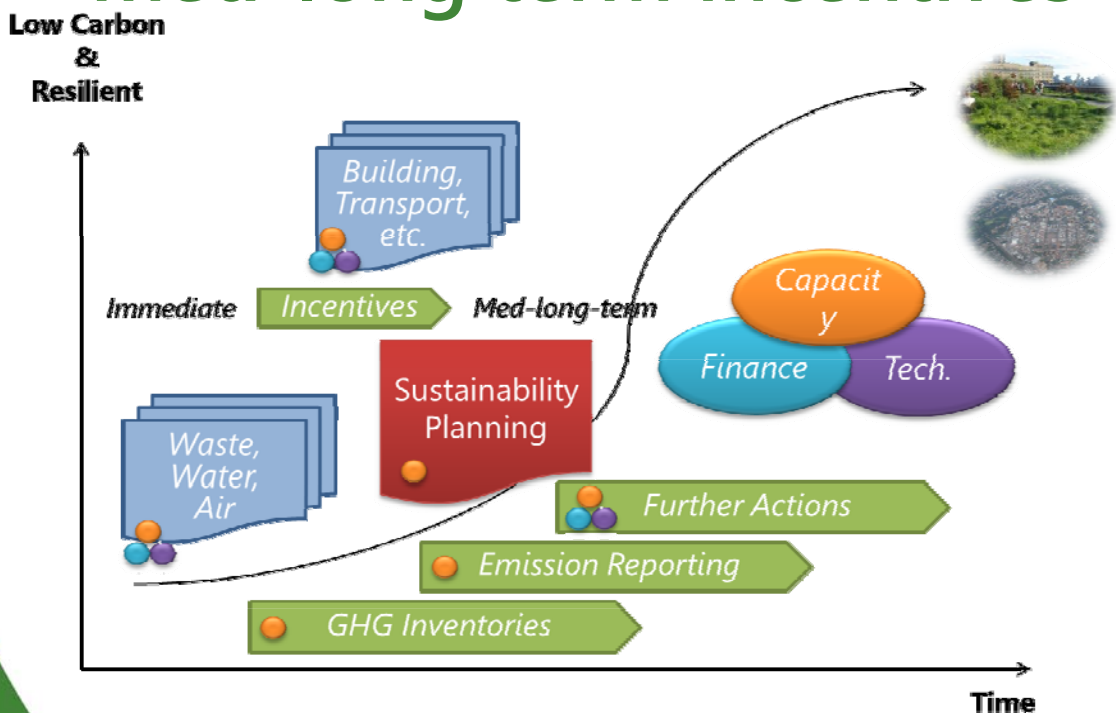

1. **Recognition** of local commitment
2. **Work program**
3. **Platform of practitioners**

# COP21 decisions need to be translated into concrete programs

3

# Sustainability transition requires immediate and med-long term incentives
