

ISAP 2016

Framing Presentation

7/12 9:50-10:05

Framing Presentation

Translating Knowledge into Actions towards 2030 and beyond

Hideyuki Mori
森 秀行

President, IGES / IGES所長

IGES
Institute for Global
Environmental Strategies

 **UNITED NATIONS
UNIVERSITY**
UNU-IAS
Institute for the Advanced Study
of Sustainability

New Features of ISAP2016

◆ Focus on implementation and stakeholders'

involvement by newly introducing:

- ✓ ISAP2016 Common Framework
- ✓ Actor-specific sessions (sub-plenaries)
- ✓ A series of IGES discussion papers/
issue briefs for each session
- ✓ Venues for networking opportunities among
various stakeholders

ISAP2016 Common Framework

4) Introducing and enhancing means of implementation

- Financing
- Technology
- Capacity

1) Setting visions and goals

- Outside-in approach
- Backcasting
- Policy development

**Translating
PA/SDGs into
action**

3) Ensuring stakeholder participation for mobilising actions

- International Organisations
- National and Local Governments
- Business, Cities, Investors, CSOs etc.

2) Establishing effective processes for implementation

- PDCA
- Data collection/analysis
- Nexus/Inter-linkages between sectors
