

ISAP 2025

International Forum for Sustainable Asia and the Pacific

Opening Remark & Framing Presentation: “Just and Inclusive Transition towards Net-Zero and Resilient Societies in ASEAN”

Outline

- 1. ASEAN Community Vision 2045 & ASEAN Climate Vision 2050**
- 2. Development of ASEAN Climate Change Strategic Action Plan 2026-2030 (ACCSAP)**
- 3. Session's Overview**

ASEAN Community Vision 2045

“Resilient, Innovative, Dynamic, and People-Centred ASEAN”

The 46th ASEAN Summit, 26 May 2025

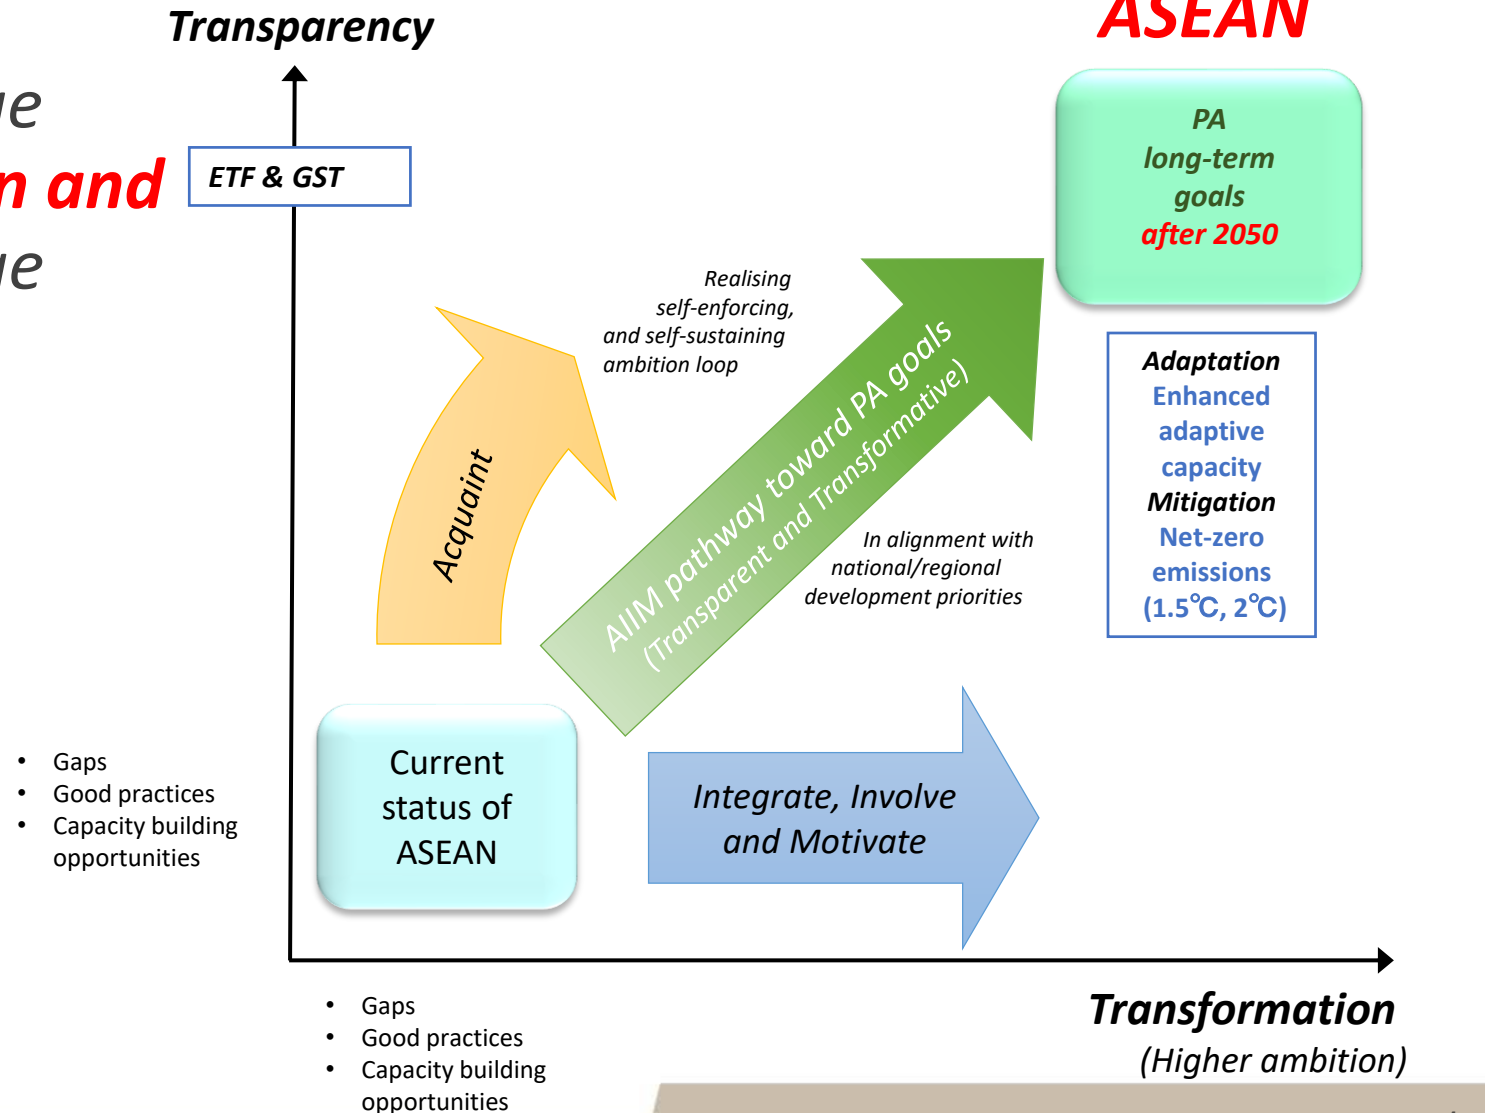

1. We, the Member States of the Association of Southeast Asian Nations (hereinafter referred to as ASEAN), namely Brunei Darussalam, the Kingdom of Cambodia, the Republic of Indonesia, the Lao People’s Democratic Republic, Malaysia, the Republic of the Union of Myanmar, the Republic of the Philippines, the Republic of Singapore, the Kingdom of Thailand, and the Socialist Republic of Viet Nam, gather here today at the 46th ASEAN Summit in Kuala Lumpur, Malaysia, to reaffirm our **commitment to building a resilient, innovative, dynamic, people-centred ASEAN**, through the adoption of the **ASEAN Community Vision 2045**.
2. We remain a rules-based Community of nations committed to the letter and spirit of the Charter of the United Nations (UN), the ASEAN Charter, the Treaty of Amity and Cooperation in Southeast Asia (TAC) and other ASEAN instruments.

ASEAN Climate Vision 2050

Unprecedented regional challenge calls for ASEAN's **long-term vision and roadmap** to tackle climate change

The ASEAN Climate Change Strategic Action Plan 2025-2030 (ACCSAP)

Impact (ultimate objective)

To be published in early 2026

ASEAN Community Vision 2045 & ASEAN Climate Vision 2050
Sustainable Development, Solidarity, and Peace of the ASEAN Community

Outcome

I. Accelerating climate change interventions

II. Mainstreaming climate change interventions

Output

- i. Accelerate implementation of AMS' **NDCs**
- ii. Accelerate implementation of **AAP** based on their review (incl. **Joint Statement to COP**)

- v. Enable transitions toward **ASEAN Climate Vision 2050**
- vi. Support of **ASEAN Centre for Climate Change (ACCSAP as an official strategy of ACCC)**

ASEAN Climate Change Strategic Action Plan 2025–2030 (ACCSAP)

Guiding principles to Synergise Long-term Mitigation and Adaptation toward Sustainable Development

Integrative (Synergistic), scientific, inclusive, adaptable, resilient, and sustainable

- iii. Develop **"Guiding Principles"** of ASEAN climate change interventions

Mitigation to net-zero

Private sector

Energy

Synergising Mitigation and Adaptation

Food, Agriculture, and Forestry

Finance

Transport

Adaptation for resilience

Infrastructure

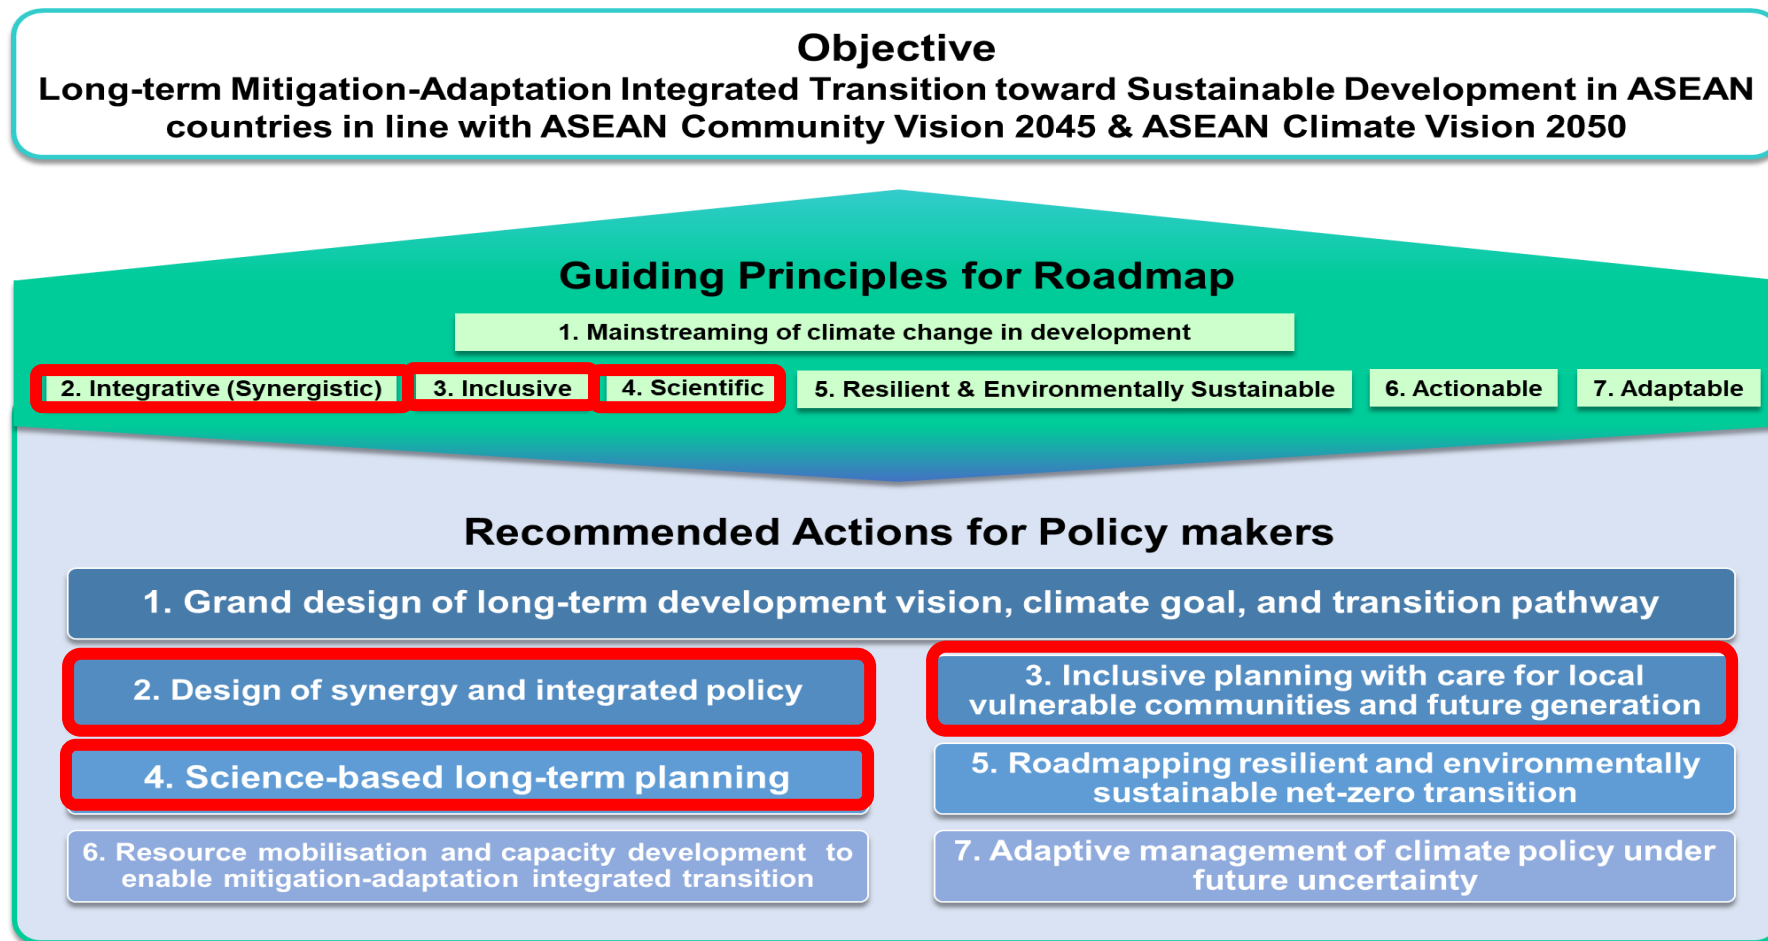

NbS
Disaster Risk Reduction (DRR)
Climate Change Adaptation
Loss & Damage

- iv. **Integrate/coordinate actions or activities** of multiple stakeholders within ASEAN and outside of ASEAN;

Synergising sustainable development

- vii. **Promote reflection** of common strategies and actions of the ACCSAP in relevant sectoral/cross-sectoral plans across pillars, sectors and countries

Synergy, inclusive planning and science-based long-term planning are key to roadmaps such as ACCSAP, LTS, NDCs, and NAPs

Macro-frame for Mitigation-Adaptation Integrated Roadmap in ASEAN Member States

Design of Synergy and Integrated Policy

Example: RE (Solar PV)

Policy A: Mitigation policy
Policy B: Adaptation policy
Policy C: Non-climate policy affecting local enabling conditions of climate actions, or resilience

Local enabling condition

Outcome

Action

Resilience

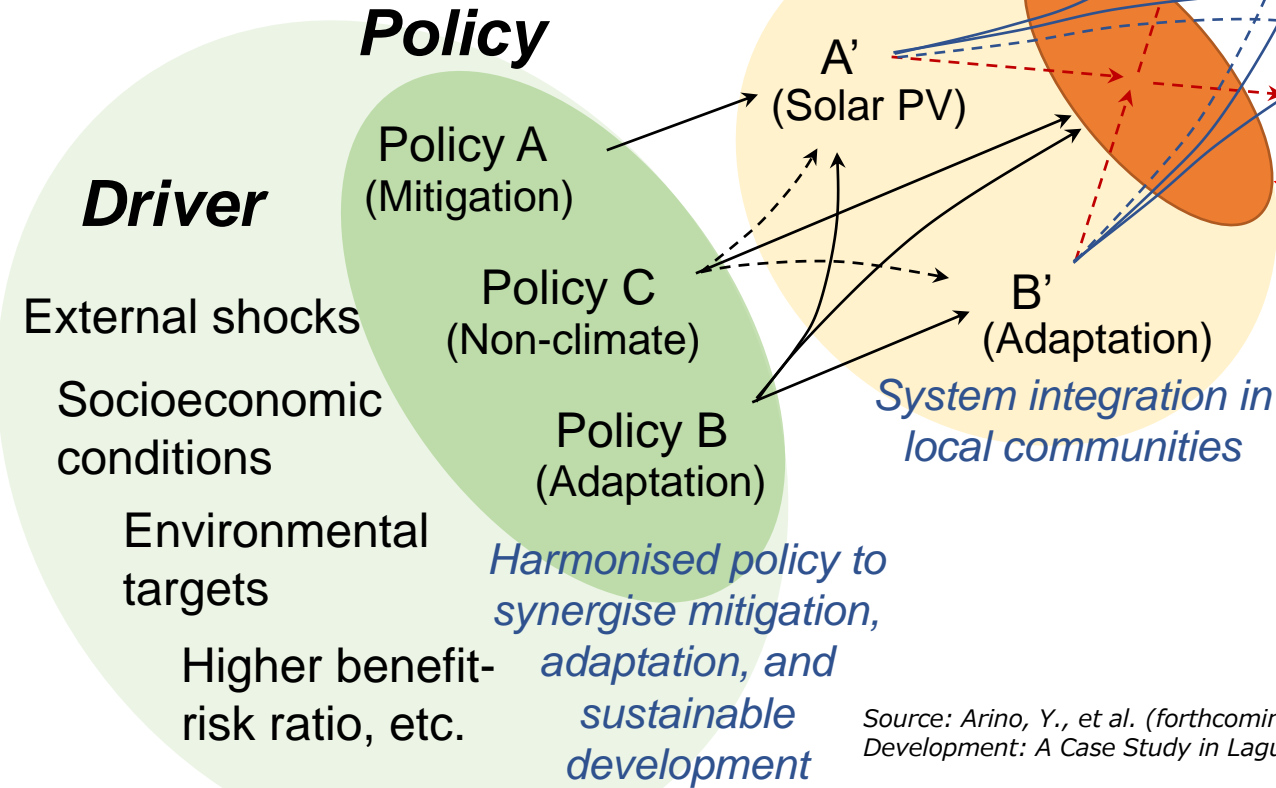

Mitigation

Adaptation

Overview of the Session

- ❑ This session will invite three speakers from ASEAN and Japan for presentations and goes into panel discussion
- ❑ The session will introduce three aspects:
 1. Current status of ASEAN's Gender Equality and Social Inclusion (GESI)
 2. Energy sector's efforts to make ASEAN energy transition just and inclusive
 3. Insights from research for decarbonized society in Japan and Asia

Moderator

ARINO Yosuke

Senior Research Manager / Lens Facilitator,
Strategic Management Office, IGES

Speakers and Panelists

Ratchada JAYAGUPTA

Thailand Representative to the ASEAN
Commission on the Promotion and Protection of
the Rights of Women and Children (ACWC) /
Director of the Asian Research Center for
Migration, Institute for Asian Studies at
Chulalongkorn University

Ambiyah ABDULLAH

Senior Researcher, Energy Modelling and Policy
Planning Department, ASEAN Centre for Energy

MASUI Toshihiko

Director of Social Systems Division, National
Institute for Environmental Studies, Japan (NIES)

ご清聴ありがとうございました。
Thank you very much for your attention.
